**PRE - ENTRY**

Dear President

Caro Amico

Thank you for your patience in waiting the detailed information about the coming EKF European Iaido and Jodo Championships in Italy.

As you might probably know by now, the championships will be held in San Lazzaro di Savena, Bologna province, very easily accessible thanks to the vicinity of main town airport and others (i.e. Forlì, Florence) within 1 hour driving.

Most of you will probably remember the setting of the Italian Kendo European championship in 2001, well, we choose the same location, both for Hotel and Sports Hall.

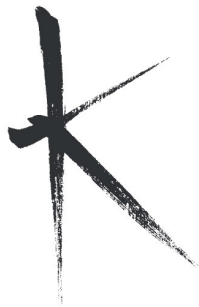

We would like to present, with this letter, all the informations you might need to prepare your delegation's trip and reservation, so kindly follow this steps to ensure an easy and complete registration.

CIK decided to take profit of the highly technological level of every federation in EKF and avoid sending any paper to collect the necessary data. All the necessary registration steps will be taken through CIK website dedicated to this Championship:

[www.ec2005.it](http://www.ec2005.it)

that will be completed for pre-entry and ready for you to use from next Monday May the 30<sup>th</sup> .
